MEASURE J LOS ANGELES

YOUTH INCARCERATION IN CALIFORNIA
DJJ FACILITIES

MEASURE J

- On November 3, 2020, the voters of Los Angeles County approved Measure J.
- This allocates at least 10% of the County's locally generated, unrestricted funding to address racial injustice through community investments such as youth development, job training, small business development, supportive housing services, and alternatives to incarceration.
- Funding each year will be invested into areas that Los Angeles County residents feel are priorities.

FUNDING PRIORITIES EACH YEAR MAY VARY AND COULD INCLUDE THINGS SUCH AS:

- community health services
- community counseling
- youth development programs
- affordable housing
- supportive housing, rent assistance
- jobs creation
- small businesses
- community-based restorative justice programs

TOTAL YOUTH CURRENTLY IN DJJ:

- Total Number of Youth: 769
- Male: 739.
- Female: 30
